WORK EXPERIENCE

Sales
Spar, Smyths Toys | Tirol, Innsbruck
2021-2024

This was my first job experience, which I took on as a student working on Saturdays. It helped me understand how jobs operate, taught me valuable people skills, and, most importantly, emphasized the significance of teamwork in achieving goals.

Freelancing
2021- Present

I began freelancing in 2021, alongside learning to code. This allowed me to gain practical development experience and, more importantly, taught me how to communicate with clients and address their needs effectively.
